

# How Much Money Can I Get From a Federal Loan?

Undergrad: Max. \$5,500 to \$12,500 per year

Grad: Max. \$20,500 per year

## What About Private Loans?

Private loans go through a bank or other private lender

Private loan interest rates vary considerably

Repayment on private loans may begin before graduation/leaving school

Private loans require a credit check

Also, the FAFSA determines your eligibility for other types of aid (grants, etc.)

You should always exhaust federal options before seeking private loans
